GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following papers:—

From H. D. TAYLOR, Esq., I.C.S., Acting Collector and District Magistrate of Ganjám, to the Chief Secretary to Government, dated Camp, Tekkali, 28th December 1898, G. B. No. 878-Eng.

With reference to G.O., No. 1916, Judicial, dated 7th December 1898, I have the honour to forward herewith a draft notification for the approval of Government and publication in the *Fort St. George Gazette*, and request the definite orders of Government as to whether the jurisdiction of the Chicacole Municipal Council will extend to the lands now proposed to be transferred from the Vizagapatam to the Ganjám district.

ENCLOSURE.

DRAFT NOTIFICATION.

Under the provisions of Madras Act I of 1865 and sections 7 and 8 of the Code of Criminal Procedure, 1898, His Excellency the Governor in Council is pleased to alter, with effect from 1st March 1899, the local limits of the jurisdiction of the Collectors and District Magistrates of Ganjám and Vizagapatam by entirely including in the Chicacole taluk of the Ganjám district the lands described below which are at present situated partly within the limits of Vizagapatam district and partly within the limits of Ganjám district:—

The banks and bed of the Langulia river bounded on the west by the villages of Polagaharam, Fazulbegpeta, Guzaratipeta and Buddhavarapupeta of Vizagapatam district, and on the east by Adivarapupeta and a portion of the Chicacole Municipality in the Ganjám district.

Official Memorandum No. 193.

With reference to his letter, No. 878, dated 28th December 1898, the Collector of Ganjám is requested to state whether the demarcation of the boundary between the proprietary villages and the bank of the Langulia river referred to in G.O., No. 1916, Judicial, dated 7th December 1898, has been made.

20th January 1899.

(Signed) G. STOKES,
Chief Secretary.

From H. D. TAYLOR, Esq., I.C.S., Acting Collector of Ganjám, to the Chief Secretary to Government, dated 11th February 1899, G. B. No. 878-Eng.

With reference to your memorandum No. 193, dated 20th January 1899, I have the honour to state that the demarcation of the boundary therein referred to has not yet been made.

2. The Chairman of the Municipality states that he applied to the Divisional officer for the services of the district surveyor for the purpose. The district surveyor, however, is at present employed on special and important work in Goomsur and will be so employed for the next two months.

3. I consider that the Municipal Council should employ a private surveyor for the purpose. If, however, Government considers that as the question involved is one of the boundary of two districts, it is desirable that the work should be carried out

by a Government officer, I would suggest that the Survey Divisional Officer be directed to depute a special officer for the purpose, the salary of the officer and cost of demarcation being debited to the Municipality.

4. As the survey of the Shergada estate is approaching completion, the sub-assistant surveyor who has been working there would be available for the purpose.

ORDER—No. 636, Judicial, dated 22nd April 1899.

The Government considers that the notification submitted with the first of the letters read above should not issue until the demarcation of the boundary between the proprietary villages and the bank of the Langulia river has been completed. The Collector should accordingly report when this has been done. The Collector's suggestion that the demarcation should be carried out by a Government surveyor deputed for the purpose is approved. Half the cost of the demarcation should be borne by the Municipality, the other half being met from Provincial Funds.
