Gentlemen,

With reference to your letter to the address of the President dated 23rd March 1899, I have the honor to inform you that the President does not see his way towards granting the concession after you claim for the first April '99. We have no power to levy any rate rate other than that sanctioned by Government. In this connection I have the honor to invite your attention to rule 6 of the supplemental Bye-Laws framed under section 341 of the City of Madras Municipal Act. I regret to have to state that it is not possible to afford you greater relief than that contemplated by the Bye Law.

CURRENT No. 1088.m

Sir,

We have the honor to enclose a circular issued by the Madras Municipality dated the 14th instant.

We have the honor to submit for your consideration that we have still to receive delivery of contracts, some of them entered into as far back as December last, for 673 tons Teak Timber and that when we entered into these contracts the enhanced octroi so far as we are aware was unthought of.

It will be impossible for us to obtain the extra Rs 2/- per ton for the timber on order, from the sellers or from the buyers, to both of whom our contract rates are binding and the entire loss must fall on us.

We are quite prepared to submit our books to the President of the Municipality and to supply him with an abstract of our uncompleted contracts to the date of Publication of G.O. No 191 M.Mis. dated 14th February 1899, and we request that these contracts may be exempted from enhancement.

We have the honor to enclose a copy of our letter to the President of the Municipality dated 23rd Ultimo and of reply dated
