Sir,

As promised in para 9 of my letter
disposed of in G. O. No 133 M, dated 30th
January 1899, I have the honor to report
that the Sub Committee appointed to prepare
the register of lands within this municipality
in pursuance of the remarks made by
Government in para 3 of G. O. No 124 M,
dated 11th July 1898, took the valuation
of all the Cultivable lands within the municipal
limits and the Council at the meeting held
on the 7th instant resolved by a majority
to levy the tax at 3 per cent on the annual
rent value of such lands.
2. In the current year's budget, (vide
para

para 9 of the letter quoted above) the probable receipts under this head were estimated at Rs 500. Adopting the Sub Committee's figure, the total annual rent value of the lands, at 8 per cent of their sale value, amounts to Rs 20,000. The tax at 3 per cent of this sum is Rs 600. Making allowance for the possibility of reduction on appeal &c, the net amount is not likely to go below the sum of Rs 500, which is the budget figure.

3. I may add that the tax on buildings having, in the current year, been raised from $7\frac{1}{2}$ to $8\frac{1}{2}$ per cent, the resolution of the Council fixing the land tax at 3 per cent may be approved for the present. Even at this rate, the incidence is much heavier than under the method of assessment previously in force.

4. A copy of the Council's resolution on the subject accompanies.

I have the honor to be
Sir
Your most obedient servant
Ma Hafiz
