Charges.

2. The Closing balance of Rs 3320
mentioned in the G.O has been arrived

The Council resolves to allot Rs 1200 for the Construction of a market the want of which is much felt, and to reserve the remainder as closing balance

The Chairman, Municipal Council,

The Secretary to Government

Sir,

I have the honor to forward herewith
Copy of resolution passed by the Council
with regard to the remarks of Government
in Paras 4 (4) and 5 of G.O. No 200
dated the 15th February 1899

2. The Council is of opinion that the
appointment of a Certificated Sanitary
Inspector should be deferred till the
resources of the Municipality improve,
that the matter of increasing the existing
Scavenging staff may be considered at
the time of the next budget, and that the
Charges for Combating Cholera, if there
be any, may be met from the provision
made under Epidemic Charges.

3. The budget for 1899-1900, as
reviewed by Government closes with a
balance of Rs 3320. This balance has been
arrived

arrived at on the assumption that Rs 5000 will be realised from toles. But as the toles have actually been leased out for Rs 5700 for 1899-1900, the Municipal Share of the toles will amount only to Rs 3800. Hence the closing balance of the year will amount to Rs 2120 only. But of this, the Council has resolved to allot Rs 1200 for the construction of a market and to keep the remainder in reserve //

4. The necessity for a market for the town has been pointed out to Government on several previous occasions and a provision of Rs 2000 had accordingly been made in the last year's (1898-99) budget for the purpose; but the provision had to be cut off in the revised budget with reference to the orders of Government in G.O. No 1983 m.mis dated 25th November 1898. A poramboke land has been granted to the Council for the market site.

5. I request that the sanction of Government may be obtained for the allotment of Rs 1200 for the market.

6. Copy of Council's resolution and an application for allotment of funds are enclosed
