The Secretary to Government

with reference to para 1 of G.O.
 No. 314. M. No. dated 7th March 1899 (Local
 and Municipal).

Sir, with reference to para 1 of G.O.
 No. 314. M. No. dated 7th March 1899 (Local
 and Municipal). I have the honor to state
 that the post of the Scavenger attached
 to the Small pox Hospital, was abolished
 on the 1st February 1899, and, to
 request that you will be good enough
 to obtain government sanction for the
 same retrospectively.

2. The question of establishing tolls
 on the Ikonian and the Chervayur
 Malamparamba roads, and the question
 of obtaining the whole of the tolls
 collected at the toll gates, which
 are within municipal limits, referred
 to in para 1 of the Council's resolution
 of the 24th August 1898, are under
 consideration, and as soon as they
 are disposed of, the result will be

Flag O

be reported to Government.

3. The President District Board Malabar was addressed, on the matter of the making over of the net receipts from the Chakkankadaon ferry to the municipality, as it lies within municipal limits, under section II of the Canals and Public Ferries act of 1890, and, in reply, he has referred me to Government. Government will therefore be addressed separately on the subject.

4. As required by para 4 of the Council's resolution N. 5 of the 24th Augst 1898, the President District Board Malabar was written to, on the subject of the grant of a moiety of the toll collected at the Kanaparamba lock of the Canolly's Canal to the municipality, and, in reply, he stated that it would be useless for him to ask the District Board, to accede to the request of the Council, as the toll fees levied on the Canolly's Canal were intended to cover the cost of its upkeep.

The President's letter was placed before the municipal Council at its meeting held on the 8th March 1899 and recorded.

5. The statistics furnished by the District Medical & Sanitary Officer Malabar shows that about $\frac{1}{3}$ of the total number of patients treated in the Hospital are non residents of the municipality, and the contribution now paid by the District Board (Rs 900/-) is over $\frac{1}{3}$ of the amount spent by the municipality on the Hospital every year. I therefore placed a minute, stating that the proposal to ask the District Board to increase the Hospital grant might be abandoned for the present, before the municipal Council at its meeting held on the 8th March 1899, and it was recorded.

6. The municipal Council at its meeting held on the 24th August 1898, sanctioned the reduction of the number of Vaccinators from 4 to 3, and the proposal was submitted for the sanction of Government in this Office report N. 1181 dated

dated 6th October 1898. Provision
was accordingly reduced in the
budget for 1899-1900 for the
revised establishment but the
Government in its order H. 365.2
dated 15th March 1899 (Local 824)
has raised the provision from Rs 770 to
Rs 900 with reference to G.O. H. 2189
dated 17th December 1898.

7. The Committee appointed
to report on the question of
providing burning grounds for
Hindus, had reported that 2 raised
platforms might be constructed at
a cost of Rs 142 in the Hindu burning
ground in I Division for the present.
The proposal was sanctioned by the
municipal Council at its meeting
held on the 22nd February 1899, and
the work has been carried out.
