LOCAL AND MUNICIPAL DEPARTMENT.

List showing papers in the Local and
Municipal Department issued without being
circulated to the Honourable Member during the
week ending 3rd June 29

seen
The E.O. is strictly
correct, but the wording
might have been a little
less blunt I think !!

Eg. "that Govt considers
his age to be a bar to it."

Submitted for perusal of the Honourable Mr. Arundel.

30-5-99

Mr. Standish de is informed
that as he is nearly 64 years of age
in the opinion of York
he is not a fit person to be appoint-
ed to the post of Chairman and
Engineer, Ostacumund Municipality,
as that post requires vigor and
activity.

So

The Private Secretary
to His Excellency
The Right Hon'ble The Governor
of Madras
Sir,

I have the honor to tender
my services for the post of
Chairman & Eng^r of the Municipal
Council of Ootacamund.

I am at present Sup^d of
Eng^r, Sanitary works. My service State,
I will be retired in October on
completing 61 years of age, but I
can leave 3 months earlier.

I draw:—

Salary — Rs 1000
Consolidated Allowance Rs 100
Travelling allowance Rs 6 per day

I am in good health & can produce Medical Certificate for further service.

My special qualifications are:-

- (1) Designed & carried out the Madras Water Supply works, 1872
- (2) Introduced Sewage Farms into Madras before they were tried in any other part of India 1868
- (3) Suggested & built Incinerators in Madras before they were thought of in Europe or America as refuse destructors. 1869
- (4) Noticed in Secy of State's Dispatches, as having introduced improved roads in Madras 1869.
- (5) Held charge of the Engineering & Conservancy Depts of the Madras Municipality for several years. 1876.
- (6) Awarded the Madras Govt Prize of 200 Rs for Essay on water supply to Bangalore C & M Station 1880
- (7) Established & worked an Installation of Electric Lights in the Palace at Mysore 1884.
- (8) Introduced Pipe Sewers in Mysore City before that system

was considered applicable to Indian towns. 1886

(9) Designed & carried out the Water Supply of Mysore City using Turbines as Motors for pumping water 1892

(10) Designed & carried out water supply works for the following towns:-

1. Nanjangud
2. Chosepet
3. Yedatore
4. Hunsur.

(11) Designed & carried out the Distribution of water for the City of Bangalore, which was acknowledged by the Durbar as "meritorious service", & ordered to be recorded in Register of Services. 1896

(12) Was Vice President in charge of Mysore Municipality.

(13) Was President of Bangalore & Mysore Building Committees.

(14) Was in charge of Spl. Improvements in Mysore City.

(15) As Sanitary Engineer

to Govt

was referee for 15 years in Sanitary works for all Municipalities in Mysore.

(16) In Plague preventive measures, as Sanitary Insp., I have been one of the principal officers at work. I enclose a printed copy of a Memo which led to make restrictions as little irksome as possible, & to enlist the goodwill & co-operation of the people.

(17) I am now in charge of the Drainage works in the City & the Extensions.

I further beg to enclose a printed copy of Govt orders referring to my services.

I have the honor to be,
Sir,

Your most obedient servant

W. H. H. H.

Superintending Engineer
Sanitary works
Mysore Govt.
