Thro' the collector of malabar
Calicut

Sir, with reference to G.O. No. 2175.
m. mis. dated 16th December 1898 (Local
and municipal), I have the honor to
state that the examination of the
bills and warrants from 1894-95 -
necessarily took a very long time
and it is very nearly completed.

2. Many of the bill and warrant receipts
which were not forthcoming at the
time of the last audit have since
been traced.

3. Where the receipts are missing,
with a view to recover some of them
as suggested by the Inspector of Local
Fund accounts, notices have been
sent to parties calling upon them either
to pay up the balance outstanding
against

against them in the arrears register on to produce the receipts given by the Bill Collectors in token of their having paid the tax. As a result, some have come forward and paid the money, but no receipt granted by any of the Bill Collectors has as yet been recovered. This investigation will be pursued, and, if any evidence of misappropriation is forthcoming, criminal proceedings will be instituted against the guilty subordinate.

4. Every endeavour is being made to place the accounts of the municipality on a more satisfactory footing and it is hoped that by the time of the next audit matters will have greatly improved.

5. As regards para 3 of the G.O. under reply, I may state that there has been a saving of Rs 1080/ under Grant II and Rs 1010/ under Grant V of the budget for 1898-99.

Note

The deficit at the end of the year 1897-98 which was met by an appropriation of the grant loan sanctioned by Govt for the construction of Mappala burial grounds, our most obedient servant was Rs 14425. No. 14425 of 16-12-98. The savings effected under Grants 2+5 and the increase in the receipts from the collection of arrears amount to Rs 9025-3-5. The balance which has yet to be made good is (Rs 14425 minus Rs 9025 or) Rs 5400 which can be met, if the outstanding arrears of Rs 7081 are collected.

20/12/98

Calicut, 18-5-99

For Collector.

or.

Out of the total arrears balance of Rs 14,066-14-3 on the 31st March 1898, a sum of Rs 6985-3-5 was collected during the year and a greater portion of the balance still outstanding is expected to be realized during the current year. The amount thus realized together with the savings pointed out above may be utilized for the construction of the Mappala burial grounds for which a sum of Rs 5985-10-5 was already spent in 1898-99.

I have the honor to be,
Sir,
