Sir,

With reference to the remark in para 2 of G. O. No 582 D/12-1-99 that this Municipality has not reported the quantity of Vaccine lymph required annually, I have the honor to submit herewith the estimate sent by the District Medical and Sanitary officer in charge of the Dispensary here, of lymph required for a year.

2 At the suggestion of the same officer, I

to add that the Superintendent of Mysore Vaccine Depot may be requested to arrange for a weekly supply of paste which would be sufficient for about 45 cases, in as much as, if a fortnightly supply is sent, as is now done, the vaccine paste is likely to deteriorate during the hot weather.

Sir,

According to para 2 of G.O. Ms. No. 586, dated 12. January 1899. I have the honor to inform you that a quantity of lymph sufficient to vaccinate 1440 cases per annum is required for this Municipality.

The cause of delay of 2 months in replying to G.O. Ms. No. 4642, dated 12. March 1898 was submitted to Government on

Same to the Collector with his endorsement stating that the Municipal Council did not appear to have consulted the District Medical and Sanitary officer, Erichinopoly, before resolving to purchase the lymph, and that the Collector thereupon returned the proceedings with his Lr. Rc. No. Ms. 992 Dev. dated 29. April 1898, pointing out that it should have been passed by the Council after consultation with the District Medical and Sanitary officer, as he is the professional authority that can advise in such matters.

After consultation with the above officer, the Council has at the meeting held on the 2nd instant confirmed its former resolution.

The copies of resolutions of the Council on the subject dated 16th April, 27th May and 2nd July 1898 are herewith submitted for the information of Government.
