2. This resolution has the effect of reducing the fee for item No. 1 in the list from Rs 3 to 4 as. in the year for the first 72 sq. feet of space or fraction thereof and from 12 as to 1 anna in the year for every additional 18 sq. feet or fraction thereof

as appears clearly from the subsequent resolution of the Council obtained in the matter. (Copy enclosed).

3. These "Sun shades" project into the street and interfere with traffic. They often become permanent encroachments and should therefore be carefully restricted. The original charge should, I think, be retained.
