ORDER.

No. 906 Muis
30-6-99

The proposal of the Municipal Council to postpone the enhancement of the rate of the taxes on buildings and lands until next year has been disapproved in G.O. No. 528 hi, dated 24th April 1899.

2. In the circumstances now stated, the Government will not insist on an increase of the rate of tolls in the current year, and the estimated income from this source will be reduced from Rs 10,500 to Rs 9,330. The Municipal Council should consider the desirability of raising the rate when the budget for next year is prepared. It is, however, observed that the rates at which tolls are now levied in the Municipality on carts and horses, with reference to the Council

Forwarded.

2. The Chairman's report should have been submitted through the Sub Collector.
3. House and Land Taxes. The Council's proposal to postpone the enhancement of these taxes till the next financial year has since been disallowed by Government.
4. Tolls ^{Taroneast} The Council has not shown any reason why the Tax on carts should not be raised at once instead of during the next half year.
5. The Sub Collector proposed the reduction of the provision for repair of buildings from Rs 1,200 to Rs 1,000. I think the latter estimate may be adopted, as now proposed by the Council.
6. As there is now a full time Secretary the employment of a manager on Rs 60 is certainly unnecessary. The Sub Collector's suggestion to reduce the salary to Rs 30 may be approved.

7. The rates of tolls quoted by the
Sub Collector in his endorsement on the
Budget report are evidently wrong.
