RECORDED

[Despatch Abstract.]

Establishment Recording letter from the
Chairman, Municipal Council, Erode report-
ing as to the qualification of the present
Sanitary Inspector employed by the Erode
Municipality, & stating that he has appeared
for the necessary examination.

Well and the only defect in him is he has not
qualified himself for the post of the Sanitary
Inspector which I hope he will do this year.
The Council is desirous of encouraging its own
servants so as to make the Municipal appoint-
ments more attractive by giving them promotions
whenever occasion arises and to give them chance
to qualify themselves for the post.

A Copy of the resolution of the Council approved
the letter is herewith submitted.

Sir,

Adverting to para 2 of No 515

X. Sent to Chairman
in original

in No. 8 of 21st April 1899, regarding the entertain-
ment of a Certificated Sanitary Inspector for
the Erode Municipality, I have the honour to
state that the present incumbent attended the
Sanitary Class last year but unfortunately
failed in the examination. He has again ap-
peared for the examination this year and I
hope he will come off successfully. This man
has been in the employ of the Council for
over 7 years and as an Inspector for nearly
3 years. He is a matriculate with handsome
test examination. He is well fitted for the Inspector's
place, especially for Erode a little town. He has
kept the Sanitation of the town in a tolerably
good condition besides he understands his duties
