Sir

Referring to G. O. no 626. M. Mis
Year. Demand. dated 6th May 1899, I have the honour to report
1892-93. 283-5-0. that land tax registers were last revised in 1892-93,
93-94. 277-9-0. when the demand was Rs 283-5-0. Since then the
94-95. 485-12-0. demand was increased annually on account of
95-96. 855-1-0. additional assessments, as will be seen from the
96-97. 810-0-0. figures noted in the margin. As almost all the
97-98. 867-10-0. taxable lands were already brought under taxation,
98-99. 877-8-0. the general revision which was taken up according
to the orders of Government resulted in but a small
increase over the demand of 1898-99. A more careful
revision, as the Collector remarks, is therefore unne-
cessary for the present.

I have the honour to be
Sir
Your most obedient servant
E. A. D Cruz
Chairman Delegate.

2. The steady annual increase which in 1898-99 had more than trebled the demand of 1892-93 explains why the revision showed such a small increase.
