To

The Secretary to the Government
Local and Municipal

Department Fort St. George

The humble petition of the undersigned
Shopkeepers of Chicacole Town
Ganjam District,

most humbly sheweth,

That your petitioners are
inhabitants of this town
from their forefathers,
their sole profession being
to buy provisions, etc. and
sell them to people in
retail. This town once
more rich, populous,
and commercial, is fast
declining in respect of
commercial, and industrial
enterprises owing to the
transfer

transfer of the District
Court to Berhampore,
and the departure of
many shopkeepers, work-
men, etc to other places
for want of any lineli-
hood here. The Railway
line being nine miles
from this town, the
charges of carriage of
articles are heavy, and
consequently it has not,
as some other insignificant
towns close to the Railway
have done, made any
improvement in com-
merce since the open-
ing of the Railway in
1894, which will be clear
from the accounts of the
Railway department.

This being once a famous
town for commerce,
people ignorant of the
present circumstances
are still under the false
impression that all its
shopkeepers are in
opulent condition which
is nothing but the mis-
fortune of the latter whose
incomes are quite in-
sufficient to maintain
their families, and who
cannot leave this place
and go elsewhere to earn
some other livelihood.

2 That since the
establishment of the
Municipality in this
town many taxes were
imposed upon the people
who are paying the same
with much difficulty,
and people living in
rural villages have
not

not been paying them a
hundredth part of what
your humble petitioners
have been taxed. While
circumstances thus stand
cross to any improvement,
the municipality have
newly taxed your humble
petitioners Rs 2 and Rs 9
respectively on ghee and
petroleum respectively
this year, which is an
addition to the existing
heavy burden. The
former article is used
by rich people only, and
the latter by those who
possess tiled, and upstairs
buildings, and consequently
the above two articles
which are newly taxed are
not as much sold in
this town as in other
towns; and the little
profit which your
petitioners derive by
sale of the above
articles will have to
be paid to the Municipality

municipality leaving nothing
for their trouble and cost
in getting them from
distant places.

3 That your petitioners
have put in a petition
to the Municipality set-
ting forth the above
facts but no action
was taken by it, and
the tax is however
being practically collect-
ed from your petitioners
by legal process.

4 That your petitioners
have no other profession
than the retail dealing
and the present tax
heavily tells upon
them, and they there-
fore most humbly
pray that your honor
will

We beg to remain,
