SUBJECT.

Payment of Contribution towards the
Chidambaram festival expenses by the Dt.
Board of South Arcot.

FOR ORDERS.

C..

In its Proceedings No. 2178M, dated
16th December 1898, the Government while
expressing the opinion that it was but
fair that the District Board of South
Arcot should contribute a reasonable
portion of the Cost of Sanitary ar-
rangements made during festivals
at Chidambaram, requested the Collector
to state what portion of the expenditure
incurred by the Municipal Council on
this account should be debited to the
District Board. He was also asked to
address the temple authorities regarding
the payment by them of a Contribution
towards the festival Charges and
see whether they could not be per-
suaded to reconsider their decision
in the matter.

Vide para. 2 ibid.

The Collector therefor

stated that before determining what portion of the expenditure in 1898-99 should be debited to the District Board, he asked the temple authorities if they would reconsider their former decision declining the payment of any contribution, their reply showed that it was hopeless to expect anything from them and that the District Board had sanctioned a contribution of Rs 250 towards the festival expenses in 1898-99. On this the Collector was requested to state what portion of these charges would be paid in the current and ensuing years - Vide G.O. No. 754 M. dated 26th May 1899.

3. With his letter read above, the Collector forwards a resolution of the D^t Board in which it agrees to contribute a sum of Rs 250 towards the festival expenses both in the current year, but states that it is not prepared to bind itself to pay a fixed sum year by year, as the expenditure incurred by the municipality varies and the Board hopes that the managers of the temple will in course of time come to see their obligations to contribute, from

from a more enlightened stand point.

4. The Contention of the D^t Board that it will not undertake to pay a fixed sum annually seems to be reasonable, as the expenditure varies; but it can have no possible objection to paying a fixed proportion of the annual charges. Moreover, it is desirable that the payment of the contribution should not be left entirely to the discretion of the District Board, and that the portion of the charges which it should contribute should be fixed once for all, so as to avoid future doubts and difficulties in the matter. The D^t Board has now consented to pay a contribution of Rs 250 towards the festival charges in 1898-99, which is a little over one fourth of the total and ~~to pay a~~ ~~Sanction~~ ~~Council~~ to contribute a like sum in the current year. It seems therefore to be but fair that the proportion of the festival charges which should be contributed by the D^t Board may be fixed at one fourth, irrespective of any contribution

Why not.

The festival charges in 1898-99
amounted to Rs 874-4-

Contribution which might may hereafter be agreed to by the temple authorities, but which, as observed by the Collector, it is hopeless to expect.

H.M.

I do not think it is desirable to call upon the Dist. Bd to contribute a fixed portion of an expenditure over which they have no power of control.

The Bd seems to be contributing substantially to the Sanitary outlay. It is submitted that the Collector's letter may be recorded.
