Letter from the Head Quarter Deputy Collector
Bellary to the Collector of Bellary dated Bellary
3. 5. 1899 Ref no. R. No. 597.

I have the honor to forward herewith
a letter from the Secretary, Municipal Council,
Bellary, dated 24th April 1899. The Municipality
proposes to sell a bit of a road in Brucepatta
to the adjoining house owner. As the proposal
appeared to me somewhat unaccountable in a
Municipality with narrow streets, I inspected the
proposed site. From my inspection I find
that the small extent proposed to be sold
will not be of any appreciable advantage
to the applicant unless he means to extend his
house, and if he does so, it cannot be reacquired
for the Municipality except at a very large cost.
I consider that in a Municipality where the
streets are already too narrow such sales
should be discountenanced as far as possible
unless the circumstances of any particular case
are so exceptional as to demand a departure
from the ordinary rule. I am informed that a
practice has grown up in this Municipality
generally to comply with such applications. If
so I think it is high time that that practice

Shall be discontinued. In this particular case I do not think the sale should be permitted.

part of the road though not
of the actual roadway. The
roadway is sufficiently broad
at this point and the grant of
a small strip of ground 2 yards
width on the side of it appears un-
objectionable. I therefore
recommend that the sale may
be permitted in the present case,
while agreeing with the Divisional
officer in his opinion that where
the roadway is narrow such
alienations should on no account
be permitted.
