Sir,

And the Divisional Office,
Tirupattur.

Order No. 602
Sub

I have the honor to state that
the Council at its meeting held on the
21st Instant framed a Byelaw under
Section 255 of the Municipal Act
prohibiting carts supplying firewood from
forests to the Railway Station from passing
to the station through the interior streets
of the Town as they cause considerable
nuisance and obstruction in streets which are
mostly narrow, and the safety of Children,
Cattle and Carriages is endangered by such carts.
It was further resolved that such carts

Return

7. iv. 99.

he ordered to pass through the Trunk roads
viz, Tittenkarai Branch road, Thiruvazhivu road,
and Tank bund road without passing into
the heart of the Town. Such a Resolution
was passed after a full experience of the
obstruction and annoyance resulting from
carts fully laden with firewood passing
to the station amidst thickly populated
and narrow streets with no advantage to the
Cart driver himself. The distance they have
to pass is just the same when such carts
are diverted on the roads suggested. A regular
train of such carts can now be found passing
along the streets all day long unnecessarily
blocking up other traffic while they could
more conveniently and safely be driven by
the main roads outside.

I request therefore that you will be so good as to obtain the approval of Government of the "byelaw" passed under the circumstances stated.

2. A Copy of the Council's Resolution and the
by-law framed by the Council accompanies.
I have the honor to be,
Sir

your most obedient servant

B. ¹⁰⁰ 27/12/2008 Chairman

Extract from the Proceedings of the Tirupatūr
Municipal Council, dated 2/3rd March 1899.

9. Read memo dated 17.3.99 of the Chairman stating that the streets in the Town are unnecessarily damaged by carts supplying firewood to the Railway and suggesting that such carts may very well go by the Trunk road outside the Town.

Resolution:- The Council is unanimously of opinion that the very large number of Carts supplying Firewood to the Railway station from Forests, Cause considerable nuisance and obstruction in streets of the Town which are mostly narrow and that the safety of Children and Cattle and Carriages passing in the streets is endangered by such carts. This can be conveniently avoided by such carts being ordered

to pass through the Tittenkarai Branch Road, Thiruvagiri Road and the Tank Bund Road without passing into the heart of the Town. The Council accordingly passes the following Byelaw under Section 255.

"That Carts supplying Firewood to the Railway station from outside the municipal limits, be driven through the Tittenkarai Branch Road, Thiruvagiri Road, and Tank Bund Road and not be allowed to pass through the interior streets to reach the Railway station. Infraction of this byelaw will render the offender liable on conviction to a fine not exceeding Rs 20."

The approval of Government will be applied for.

(Signed). C. Langanadam
Chairman

Salem Collector's Office
dated 12.5.99

Endorsement No. 1174 of 12.5.99.

Submitted.

2. The Chairman was asked to specify definitely the routes which the firewood carts supplying the Railway should under the byelaw use. The chairman has in his Communication No. 750 dated 3rd May 1899 specified the routes definitely.
3. A portion of the byelaw relates to the tank bund road. This has not yet been handed over to the Municipality by the Public Works Department. This was pointed out to the Council which has resolved that the byelaw relating to the tank bund road will take effect after the road is handed over to the Council by the Public Works Department.
4. The proposed byelaw may be approved.

 OPINION.

1. I am of opinion that the proposed bye-law may be approved. It is stated that the traffic of carts carrying fire-wood to the Railway - Station through the interior streets of the town endangers the safety of children, cattle and carriages, and that the traffic in question can be conducted, without inconvenience, by another route where it will not be a source of danger. In these circumstances, I think the proposed - bye-law, the object of which is to secure "safety in the streets," is within the powers conferred upon the Municipal Council by S. 255 of the District Municipalities Act.

2. As the Tank Bund Road is part of the new proposed route, I do not quite understand the resolution of the Council "that the bye-law - relating to the Tank Bund Road will take effect after the road is hand- -ed over to the Council by the Public Works Department." I do not think the proposed bye-law should be put in operation until the Tank Bund Road has been handed over, and the whole of the new route is open to - traffic

C. No. S. 3612 16394/99

SUBJECT.

Proposed new bylaw. Tirupattur
Municipality.

His ORDER. N^o 946 Muni 8 6/7/99

The bylaw proposed by the Muni-
cipal Council, which in the opinion of
Government is unobjectionable, should
be published in the Salem District
Gazette in the manner required by
Section 256 (1) of Act IV of 1884, as
amended by Act III of 1897. After the
lapse of the period specified in the noti-
fication publishing it, the bylaw
should be finally approved by the
Municipal Council and the fact reported
to Government in view to its being
Confirmed. A copy of the bylaw
as published in the S^t. Gazette should
also be submitted.

2. As observed by the Advoca-
-general in para. 2 of his letter, the proposed
bylaw should not be put in operation
until the Tank bund road has been
handed

To The Chairman, The Tirupattur
thru the Collr of Salem.
supd 8/7/99

handed over to the municipality and the whole of the new route is open.
