To The Secretary to Government.
Local & Municipal Department.
Madras

Through the Collector of Tinnevely
Sir,

In acknowledging receipt of
Memorandum No 1421 dated 20th December
1898. I beg to report that the cost
of constructing a compound wall
round only a portion of the newly
acquired Roman Catholic burial ground
viz. 332 x 250 is estimated to be
Rs. 2075 and that the whole extent
is 4' 95 Cents.

The question whether
to build "Convenient"
scanning in this
Section implies
that a compound
wall should be
constructed round the
burial ground
has been referred to
the Honorable General
in Council.

2. The Council has provided a
Convenient place for burial ground
under Section 234 of the Act.
And is not prepared to construct a
Compound wall, in its present.

Financial Crisis as it has to
meet more urgent calls such as
plague preventive measures,
water supply, town sanitation &c.
3. The Jesuit & the Gas Missions
here under whose charge the land
is proposed to be placed subject
to the provisions of the Act,
will, it is believed, ^{erect} ~~construct~~ the
wall at the cost of the Communities
concerned, as they already did
for the existing Churches.

I have the honour to be

There seems no objection to the issue of the proposed
notices. The Municipality can hardly afford to wall in the
newly selected ground, nor is it, I think, necessary that they
should.
