READ—the following papers :—

From M.R.Ry. M. RANGANADHA PILLAI Avargal, Chairman, Municipal Council, Mannárgudi, to the Secretary to Government, Local and Municipal Department, dated 26th May 1899, No. 116.

With reference to G.O., No. 202 M., dated 15th February 1899, I have the honour to request to be informed if it is objectionable for the Chairman to draw money from the treasury as advances for carrying out works which have to be executed departmentally, or if the ruling in paragraph 5 (4) of the Government Order is intended to apply only to the councillors proper. If the former is intended, I think it will not be possible to carry out any work departmentally.

Referred to the Accountant-General for remarks.

5th June 1899.

(Signed) A. EDGINGTON,
Ag. Assistant Secretary.

From W. H. DAWSON, Esq., I.C.S., Officiating Accountant-General, to the Secretary to Government, Local and Municipal Department, dated Fort St. George, 20th June 1899, No. 246—L.F.D.

With reference to the Acting Assistant Secretary's endorsement No. 607, dated the 5th June 1899, I have the honour to state that as the object of the prohibition in G.O., No. 202 M., dated 15th February 1899, is merely to ensure the Council dealing directly with the parties, the Chairman also should refrain from taking advances. In the case of payments for works carried out departmentally, the wages of the labourers can be drawn from the treasury in the same way as for other cash payments, and entered on the receipt side of the cash book with corresponding entries on the payment side as the disbursements are made. If the Council prefers, a small cash imprest might be given to the overseer, based on the average expenditure of a week or month, and this could be recouped from time to time by the submission of paid vouchers.

ORDER—No. 971 M., dated 11th July 1899.

The remarks of the Accountant-General, in which the Government concurs, will be communicated to the Chairman.
