Sir,

I have the honor to state that there has
been only one ward attendant attached to the
Municipal Hospital, Cuddapah; and in con-
-sequence the patients are not attended both
day and night. I request therefore, that you
will be good enough to appoint an additional
ward attendant on 7th per mensem to attend the
wants of patients always.

Yours &c

Sir,

I have the honor to request
Sanction with retrospective effect for
the temporary employment of a ward attendant
in the Municipal Hospital on Rs 7 per mensem
and a servant on Rs 6 at the Slaughter house.

In letter no 201. (Copy enclosed) the
12.6.98 District Medical and Sanitary Officer
pointed out that as the one ward attendant
who was till then employed was not able
to cope with the work, another ward
attendant

attendant to look after the wants of the patients day and night. Muscles employed and the Council in its meeting held on 14th June/98 sanctioned the appointments from 1st July/98.

There were two servants employed at the slaughter houses one at the beef slaughter house and one at the sheep slaughter house. The work in the two houses having been found too much for the two and constant complaints having been received both from the servants and from the contractors, the Council in its meeting of 31st May 1898 sanctioned the appointments with effect from 1st May/98, of an extra servant on Rs 6 a month for the slaughter houses. The two appointments were provided for in the current year's budget but the Government not having approved of the same they have been discontinued. In these circumstances, I have the honor to request sanction for the appoint-

ments in question down to the close of the official year 1898-99.

I have the honor to be,
