From J. W. Rawlins Esquire.

ACCOUNTANT-GENERAL TO THE
GOVERNMENT OF MADRAS,

To
THE Chief Secretary to Government,
Political Department.

SIR,

With reference to memorandum no 2119 dated the 26th of November, 1893, Legislative Department, forwarding a List of additional members of Council for making Laws and Regulations, for insertion in the Civil List, I have the honor to enquire whether in page 2 of the Civil List the title "Mrs" should be omitted before the names of all native members of the Legislative Council as in the list now received, and if so, whether any and what term, should be adopted in its place (1) in the case of Hindus and (2) of Mussalmans.

2. I would also request instructions as to the proper method of describing Mr Miller. To speak of him as the "Honorable and Right W. Miller" would, in accordance with the British practice, indicate that he was the son of a Peer. It seems to me that on the principle on which "Mrs" is inserted before the names of English lay members to indicate that the title of Honorable is an official one, it would be more correct

to style him the Honorable the Revd W. Miller.
 3. I request the favor of an early reply to enable
 me to correct the List for December 1893 before
 it is published:

I have the honor to be,
 Sir,
 Your most obedient servant.

W. Miller
 Accountant General
