Extract from Note by the Honorable Mr. Bliss C.I.E. ~~Public~~

Mr. Benson's special duty should, I think, be in the Revenue, not in the Legislative Department. We are far from having arrived at the point of legislation in regard to the matter of landlord and tenant in Malabar. The proper course is to work the question out in the Revenue Department before transferring any of the papers to the Legislative Department. Some of the papers, i.e. those regarding the compensation for improvements question, are in the Judicial Department. They should all, I think, be transferred to the Revenue Department to be dealt with there by Mr. Benson.
