GOVERNMENT OF FORT ST. GEORGE.

LEGISLATIVE DEPARTMENT.

From M.R.Ry. P. DIVASIKAMANY, to the Under Secretary to Government, Legislative Department, dated Coimbatore, 29th October 1895.

I beg to bring to your notice that new oil-presses are being opened by oil-mongers in Coimbatore in their own as well as rented houses situated among the dwelling-houses. This procedure causes immense nuisance and continual disturbance of rest to people residing close by, and thereby endangers health seriously.

The matter was frequently brought to the notice of the municipal authorities of Coimbatore, but they decline to take any action saying that the present Municipal Act does not provide any rule prohibiting the opening of the presses whenever and wherever a man wishes to establish one.

I therefore solicit you will take into kind consideration the difficulties experienced by poor residents in this direction and lay the matter before the next meeting of the Legislative Council, and ask them to introduce some rule in the Municipal Act now under revision to prohibit the opening of oil-presses among and close to the dwelling-houses.
