CHIEF SECRETARY

GOVERNMENT OF MADRAS

To

His Excellency the Right Honorable
THE GOVERNOR OF FORT SAINT GEORGE,
IN COUNCIL OOTACAMUND.

*The humble Memorial of the Muhamadan
Inhabitants of Tripatur, Salem District,
in public Meeting assembled:*

Most Respectfully Sheweth,

That, in pursuance of a resolution adopted at a General Meeting of the Mohamedans of Tripatur, Salem District, your Excellency's Memorialists humbly and respectfully beg to submit this Memorial concerning the nomination of a Mahomadan representative in the Local Legislative Council, for your Excellency's kind and favourable consideration.

That your Memorialists most humbly and respectfully beg to submit that, in the present enlarged state of the Legislative Councils in India, it is most desirable, nay absolutely necessary, that men of sound liberal education and attainments, and also whenever practicable, possessed of fair legal acumen to understand and discuss the miscellaneous subjects and Bills that may be introduced, should be chosen as representatives in the Councils.

That, as in the Local Legislative Council the other sections of the community are fairly represented by duly qualified men and the interests of the Muhammadan community are not properly represented, your Excellency's humble Memorialists humbly and respectfully pray your Excellency that their interests may be similarly cared for and protected.

That, as the term of service of the present Muhammadan representative, the Honorable Muhammad Hassan Ali Khan Bahadur, in the Local Legislative Council is about to expire towards the close of the current year, your humble Memorialists beg to impress upon your Excellency the desirability and necessity of nominating Mr. Syed Nizamoddeen Sahib B. A., B. L., a Vakil of the High Court of Judicature practising at Madras, who is one of a very few amongst the Mahamadan Community possessed of liberal views and high attainments and who has already distinguished himself both as a public citizen and as a legal practitioner, and who, the Memorialists feel quite confident, will justly and earnestly represent the interests of the Muhammadan community and satisfy their eager expectations.

Memorialists shall as in duty bound ever pray.

The Humble Memorial of the Muhammadan

his nomination to so important a position.

What your Excellency's memorialists echo the general opinion of the com-

r the Office, and desire that every consideration may be given to his claims,
ich are far superior to those of any other possible candidate in respect of all those
lities essential to a popular representative.

That the community now enlightened to some extent by Western educa-
does not attach the smallest weight to mere heriditary rank and position, or to

ed member of the middle class than to one drawn from the ranks of the

CHIEF SECRETARY
12 NOV. 1895
GOVERNMENT OF MADRAS

To

His Excellency the Right Honorable
THE GOVERNOR IN COUNCIL OF
FORT SAINT GEORGE,
OOTACAMUND.

The humble Memorial of the leading Muhammadans of South Arcot District.

Humbly Sheweth,

That it is with deep regret that Memorialists beg to remind your Excellency of their unsuccessful attempt in 1893 to secure their proper representation in the local Legislative council. Memorialists hope that at least this time they may be more fortunate in their honest endeavours to obtain a just privileged—a privilege of being represented by a well educated member of their community, and not by a an illeterate aristocrat, or a half-educated merchant. Such men have more than once been tried and found to be wanting. Hither to they have been our represenstatives every-where— in the Legislative council, the University, Municipalities, District Boards, &c. &c. Our sad experience in the past has taught us that to be represented by them is *worse* than no representation at all—in fact it is nothing less than the infliction of a *positive evil* upon the community. Important subjects deeply affecting Muhammadan interests may be under discussion, and *our* representatives, as if in duty bound, take us part.

That it is simply a truism to say that the Honorable Muhammad Hasan Ali Khan Bahadur has been a complete failure in the council chamber. Both his renomination or the nomination of another gentleman of similar, or even some what higher educational attainments, would produce no better results. What the Memorialists respectfully beg to impress upon your Excellency is the *absolutely necessity* of nominating one who can understand and take part in the debates relating to the highly intricate science of legislation. Here and there may be found some members of an aristocratic family, or of a rich mercantile firm, who may have got hold of a smattering of English either by having spent a few years in some primary or secondary school, or in the course of their trade or business. Such men aspire (and sometimes with success!) for positions of such responsibility, merely to add a feather their own cap, and not for the benefit of the community to which they belong. Memorialists hope that by the nomination of a successor to the present Honorable Muhammadan member, your Excellency may be pleased to set at rest for ever the unjustifiable aspirations and endeavours of such gentlemen, which whenever successful benefit themselves but injure the community at large.

That in once more advocating the candidature of Mr. Nizamuddin Sahib of Madras, Memorialists beg permission to state that they do so because *none* with any pretensions to collegiate education is to be found amongst the ancient, wealthy or reputed families in this Presidency. If such an one be forth-coming they are ready and willing to forego their advocacy.

That your Excellency is aware that till the year 1888 there was no Bachelor of Laws of the local University amongst the Muhammadans of Southern India. Mr. Nizamuddeen was the first to take that degree, along with another gentleman who is now in Hyderabad, and he is also the *first* Vakil of the community on the rolls of the High Court. He has passed the Pleadership Examination and the Judicial Tests—both civil and criminal—in all of which he stood either first or second on the list. His reputation at the bar is not unknown and for some years past, he is a conspicuous figure in every public movement connected with Muhammadans in Madras. He comes of a respectable family and his popularity among his co-religionists is unquestionable. He is in entire touch with every section of the community, is well acquainted with their wants and greivances, and is sufficiently well educated to give them a shape so as to bring them before the council. These are the only considerations that have actuated Memorialists to so boldly approach your Excellency on the subject. Memorialists simply re-echo the sentiments of the whole community of the Presidency though, they admit, there may be a few, who still believing in "the divine right of kings," hold that they and they alone are entitled among other things, to the membership of the Legislative council, on account of their birth or their wealth or both combined—a notion which has up to now received considerable strength from the mode in which successive Governments have, without due regard to merit, flattered their vanity by selecting only members of their class for posts of the kind in question.

Memorialists pray that your Excellency may be graciously pleased to give due weight to what has been represented above, and to fully consider the whole subject before nominating a successor to Mr. Hasan Ali Khan Bahadur.

Memorialists shall as in duty bound ever pray.

To

His Excellency The Right Honorable
BEILBY BARON WENLOCK, G.C.I.E.,
GOVERNOR-IN-COUNCIL,
FORT SAINT GEORGE,
OOTACAMUND.

The humble Memorial of the MUSSALMAN COMMUNITY *of Ranipett, Wallajah, Arcot, Kaveripauk and other adjacent Towns in the North Arcot District.*

HUMBLY SHEWETH,

That Your Excellency's humble Memorialists respectfully beg to refer Your Excellency to their Memorial of October 1893 *in re* the Muhammadan Representative in the local Legislative Council.

Memorialists humbly beg leave to express their regret that Your Excellency was not pleased to grant them their prayer as contained in the aforesaid Memorial. Memorialists hope that experience of the past two years may have satisfied Your Excellency of the justice of their said prayer, inasmuch as the record of services rendered to the Community by the Honorable Muhammad Hasan Ali Khan Bahadur, during his tenure of office, is *absolutely nil*: and Memorialists apprehend that the result will be the same so long as the above-mentioned Gentleman, or any other person of similar educational attainments, continues to represent the Community in the Council.

That as the aforesaid Honorable gentleman vacates his seat in November next, Memorialists again take this liberty to petition Your Excellency on the subject, and hope that Your Excellency may be graciously pleased to nominate Mr. S. Nizamuddeen Saheb, Vakil, to the vacant seat, inasmuch as Memorialists consider him the only Muhammadan gentleman of good modern education, and fair legal acumen, who can be of some service to the Community at the Council Board.

Memorialists do further beg leave to *assure* Your Excellency that their representations on the subject have not been actuated by any personal, private, or party motives. Mr. Nizamuddeen is a person of much humbler means than the other aspirants, and possesses fewer friends and dependants. Nevertheless, the spontaneous expression of opinion of the Community (at least of the educated portion thereof) in his favour is a conclusive proof of his popularity and worth.

Memorialists shall as in duty bound EVER PRAY.
