GOVERNMENT OF MADRAS.

LEGISLATIVE DEPARTMENT.

READ--the following paper:--

From R. FISCHER, Esq., Chairman, Municipal Council, Madura, to the Chief Secretary to Government (through the Collector of Madura), dated 25th November 1895, No. 77.

In forwarding herewith copy of proposal of some of the councillors and of the resolution of the municipal council, No. 322, dated 2nd November 1895, which was passed thereon, I have the honour to request that Government will be pleased to take such action as it may deem fit.

ENCLOSURES.

Proposal.

We consider that the insertion of a new provision in the Bill to amend the Madras Act IV of 1884, placing a disqualification on the class of persons referred to in clause 2 of section 10 A, seems to be not only undesirable, but a retrograde step in a progressive legislation. The electors are the best judges of the persons to be elected to represent their interests, and any interference on the part of Government with their choice will be inconsistent with the avowed principle of local self-government accorded to the people of India. We are not aware that any complaint has up to date ever risen in any municipality owing to the electors having abused their right of suffrages in an improper or injudicious manner and propose therefore that Government be moved to omit the provision in question.

(Signed) R. MUTHUSAWMY PILLAI and others.
