On the same day and at the same hour the voting delegates for the Southern group of municipalities will meet at Trichinopoly and will in every way conform to the above rules; in the case of this group, the Collector of Trichinopoly will be responsible for the proper conduct of the election.

6. Exactly similar rules will guide the election of representatives by the Northern and Southern groups of district boards, except that in their case the delegates will meet at noon on the 16th August and must complete the election by noon of the following day at latest. It is thought advisable to make this distinction in the dates in order to avoid the chance of the municipalities and boards of a group electing the same representative.

Yes Sir

In this connection the Govt. thinks
it advisable to draw attention to
Rule VI. A Municipality or Board

Board in the Southern group may
propose any person resident in the
Southern group of districts. Any

always be a member of
the Municipality or District
Board concerned. In this
connection attention should
be given to the last part of
paragraph 6 of the G.O.
mentioned above.

4. Upon receipt of the
said statements, the
Chief Secretary will com-
pile therefrom a list con-
taining the names of all

recommendation to

to His Excellency the Governor. The election shall be by ballot and the person elected must obtain a clear majority of the votes of the delegates present and voting.

If at the first ballot an absolute majority of the votes of such delegates is not obtained, the ballot shall be repeated until such majority is obtained. The election must be completed by noon of the 16th August at latest and the result will be immediately reported to the Chief Secretary to Government by the Collector of Kistna to whom the general superintendence and arrangement of the election will be entrusted. On the same day and at the same hour the voting delegates for the Southern group of municipalities will meet at Trichinopoly and

and will in every way conform to the above rules in the case of this group. The Collector of Trichinopoly will be responsible for the proper conduct of the election.

b. Exactly similar rules will guide the election of representatives by the Northern and Southern groups of District Boards, except that in their case, for the reason set out in paragraph 9 of G.O. dated 12th April 1893, No. 32, Legislative, the delegates will meet at noon on the 16th August and must complete the election by noon of the following day at latest.

Here again, would it not be better to quote the reason?

I think that is right.

It is thought advisable to make this distinction in the dates in order to avoid the chance of the Municipalities & Boards of a group electing the same representatives.
