Sir,

I am directed to acknowledge the receipt of your letter No. 49, dated the 24th ultimo, asking for the views of the Government of India as to the manner in which questions which it is proposed to ask in the Madras Legislative Council touching the administration of Native States within the political jurisdiction of the Government of Madras should be treated. This reference is made owing to permission having been asked to put a question in the Local Legislative Council in order to ascertain whether the Iluvass and other low castes in Travancore could not be placed on the same footing with respect to education and admission into the public service as other non-Hindus and native christians.

2. In reply I am to say that, in the opinion of the Government of India, a question of the nature proposed should be disallowed on the ground suggested by the Madras Government viz., that it relates to a matter or branch of administration which is not under the control of the Governor in Council.

I have the honour to be,
Sir,
Your most obedt. Servant,

J. P. Hewett
