CHIEF SECRETARY  
26. AUG. 1895  
GOVERNMENT OF MADRAS

To

HIS EXCELLENCY THE RIGHT HONORABLE  
THE GOVERNOR OF FORT ST. GEORGE  
IN COUNCIL, OOTACAMUND.

The humble Memorial of the *Muhammadian Association* and the Musulmans of Chittoor and adjacent Towns and villages, in the North Arcot District, in Public Meeting assembled.

RESPECTFULLY SHEWETH,

That in pursuance of a Resolution adopted at a General Meeting of the *Mahommadan Association*, Chittoor, your Excellency's Memorialists respectfully beg to submit this humble Memorial for your Excellency's kind and favorable consideration concerning the nomination of the Muhammadan Representative in the local Legislative Council.

That in the humble opinion of the Memorialists as well as of the Community, it is desirable, nay *absolutely necessary*, that in the present enlarged state of the Legislative Bodies in India, Mahommadan Representatives in the Council Chambers should, as far as practicable, be men of thorough modern education and attainments so that they may be on a level with their non-Muhammadian Colleagues: and that it was with this end in view that your Excellency's humble Memorialists, in common with other Muhammadans in the Presidency, petitioned your Excellency in 1893: and it was the shere misfortune of the Community that your Excellency's Government was not then pleased to grant them their humble prayer: the result being that the present incumbent, the Honorable Muhammad Hasan Ali Khan Bahadur, though a deserving gentleman in other respects, has been a mere *non-entity* at the Council Board. Memorialists consider that such representation is worse than none at all, in as much as it subjects the community to a stigma that it cannot furnish competent men for posts of such high responsibility.

That Memorialists respectfully beg permission to again approach your Excellency on the subject with the confident hope that their prayer this time at least may meet with better success. Memorialists humbly beg leave to point out, as they did on the former occasion, that to the best of their knowledge and

belief the Muslim community of the Presidency, under the present state of circumstances, does not possess a better and a more competent, and, at the same time a more popular Representative than Mr. S. Nizamuddeen of the High Court Bar, who, young as he is, has already made a name for himself both as a legal practitioner and as a public citizen.

Memorialists do further beg leave to state that as the Muhammadan element in the Senate of our University is next to nothing, your Excellency may be graciously pleased to nominate some Muslim Graduate or Graduates of long standing and independent position, so that Muhammadan interests in that all important fountain-head of lead and learning may be properly protected. For this also, Memorialists respectfully beg to recommend the name of the said Mr. S. Nizamuddeen, who is a graduate of about 10 years standing, for Your Excellency's favourable consideration.

Memorialists shall as in duty bound ever pray.

Dated this 17 day of July, 1895.
