READ the following letter from J. Twigg Esquire, esq: Cal.
- Lectr of Madras, to the Secretary to the Com.
- missioners of Land Revenue, Madras, dated
4. September 1895, No: 208 of '95:-

With reference to Board's Proceedings No: 4169 Ellis: dated 20. August 1895, calling on me to report if any modifications are required to be made in the statement of area and population of Ramnad and Sivaganga Zemindaries submitted by the Board to Government, I have the honor to state that modifications as per details given in the Column of remarks of the enclosed explanatory Memo appear to be necessary. The villages assigned for purposes of Chettram, Doractanam &c should, I think be clarified under Inam instead of under Zemindari - vide also Board's Proceedings No: 246 dated 18. June 1894 (Settlement).

Recoiled.

2. It is presumed that the population of the villages alienated by the Zemindars of Ramnad and Sivaganga in favour of religious and charitable institutions

institutions subsequent to the date of the permanent settlement has not been included in the revised figures furnished in Column 5 of the statement received with the above letter.
