Re

Modified edition of Madras Act IV of 1884

Note FOR ~~ORDERS~~ the Secretary

The Act has been revised by the insertion of the necessary references & footnotes for passages omitted from or inserted in the original Act; the revision is being carried on in the press.

The matter now stands in foolscap size. This will be run into Royal Octavo size as required by the Honble Mr. Police. The cost is very trifling, for there is no transposition of matter in each every section, but only of the matter as it is from one page to the other, the result being an increase in the number of pages only. This Royal Octavo size is the size in which copies are distributed to officers of this Presidency & to other provinces. The demand for these copies from the public is exceedingly small.

I don't see the use of going to this expense. The para can be cancelled & the public allowed to buy Octavo copies if.

The Act has also to be published in the Gazette under para 2 of 80. 38 Leg 24. 4. 97. So after copies in the Octavo size are issued, the matter will be run into 1A

sed demi quarto size for publication
 is sharper. The Supt tells
 that the demand of the public for these
 is ^{greater} ~~large~~ than that for the octavo
 is.

The octavo size copies a small slip
 will be attached stating - 'An index
 of this Act is in the course of preparation
 will be issued shortly'.
 The Govt of India in their octavo size
 gives printed in each page
 the subject of the Act, then the
 chapter with its subject & sections
 relating thereto on that page. They
 give the page number at foot of
 the page on the right hand side of a right hand page
 & on the left hand side of a left hand page.
 The Supt tells me the precedent of
 Madras Act I of 1884 might be
 followed. Chapter, Subject & Sectional
 references at the heading of each page
 below the subject of the Act, might
 be omitted & that it would be better
 to give the folio or page no. on the top
 of the page.

Note The Supt has been asked
 to work at the index at once.

Orders are respectfully solicited

I have revised the proof which I
 now be struck off and insert
 before the "Contents" a page
 see page appended to this

modified edition of Madras Act IV of 1884
