GOVERNMENT OF MADRAS.

LEGISLATIVE DEPARTMENT.

READ—the following paper:—

From J. M. MACPHERSON, Esq., c.s.i., Secretary to the Government of India, Legislative department, to the Secretary to the Government of Madras, Legislative department, dated Simla, 15th September 1897, No. 1543.

I am directed to invite your attention to the Madras District Municipalities Act Amendment Act, 1897 (III of 1897), copies of which have recently reached this department, and to say that, as the amendments which it makes in the Madras District Municipalities Act, 1884 (IV of 1884), are so very numerous, a revised edition of the latter embodying those amendments might, if there be no objection, with advantage be issued and copies of it supplied to this department. Such an edition of the original Act as is here suggested was, indeed, prepared in Bill form when the Bill which has now been passed as Act III of 1897 was before the Select Committee.

2. I am further to suggest, for the consideration of the Governor in Council, whether it would not be expedient in future, in the case of all Acts making extensive amendments in other Acts of the local Council (where legislative consolidation is not practicable), to publish modified editions of the latter Acts simultaneously with the issue of copies of the amending Acts. This course is obviously one of great convenience both to Government officials and the public. It has also been recommended by the Secretary of State in the case of laws of importance passed by the Council of the Governor-General, and has, the Government of Madras are doubtless aware, been followed both by this department and the Legislative department of the Government of Bengal for some years past, not only when a single Act makes numerous amendments in an existing Act, but also in those cases in which an Act has been amended by several Acts at different times.

ORDER—No. 77, Legislative, dated 1st October 1897.

The following letter will be despatched to the Government of India.

(True Extract.)

G. S. FORBES,
Ag. Secretary to Government.

LETTER—No. 78, Legislative, dated 1st October 1897, to the Secretary to the Government of India, Legislative department.

I am directed to acknowledge the receipt of your letter No. 1543, dated 15th September 1897, suggesting the expediency of issuing a revised edition of the Madras District Municipalities Act IV of 1884, and of other Acts of the local Council which have been extensively amended.

2. In reply I am to state that a revised edition of the Madras District Municipalities Act IV of 1884 was put in hand immediately on the passing of the amending Act of 1897 and has already been published. Copies were transmitted to your office on the 14th ultimo. Revised editions of the local Acts will, as suggested, be issued in the circumstances mentioned in your letter.

G. S. FORBES,
Ag. Secretary to Government.

FROM

J. M. MACPHERSON, Esq., C.S.I.,

Secretary to the Government of India,
Legislative Department,

The Secretary to the Government of Madras,

Legislative Department.

Dated Simla, the 15th September, 1897.

SIR,

I am directed to invite your attention to the Madras District Municipalities Act Amendment Act, 1897 (III of 1897), copies of which have recently reached this Department, and to say that, as the amendments which it makes in the Madras District Municipalities Act, 1884 (IV of 1884), are so very numerous, a revised edition of the latter embodying those amendments might, if there be no objection, with advantage be issued and copies of it supplied to this Department. Such an edition of the original Act as is here suggested was, indeed, prepared in Bill form when the Bill which has now been passed as Act III of 1897 was before the Select Committee.

2. I am further to suggest, for the consideration of the Governor in Council, whether it would not be expedient in future, in the case of all Acts making extensive amendments in other Acts of the local Council, (where legislative consolidation is not practicable) publish modified edition of the latter Acts simultaneously with the

issue of copies of the amending Acts. This course is obviously one of great convenience both to Government officials and the public. It has also been recommended by the Secretary of State in the case of laws of importance passed by the Council of the Governor General, and has, the Government of Madras are doubtless aware, been followed both by this Department and the Legislative Department of the Government of Bengal for some years past, not only when a single Act makes numerous amendments in an existing Act, but also in those cases in which an Act has been amended by several Acts at different times.

I have the honour to be,

Sir,

Your obedient servant,

J. M. Macpherson

Secretary to the Government of India.

The following letter will be despatched to the Government of India

Letter to 78 Leg. D. 1.10.97

The Secretary to the Government of India
Legislative Department

Sir

I am directed to acknowledge the receipt of your letter no. 1543 dated 15 September 1897 suggesting the expediency of issuing a revised Edition of the Madras District Municipalities Act IV of 1884, and of other acts of the Local Council ~~which have been extensively amended~~ ~~not only in cases where a single Act makes numerous amendments in an existing Act but also in those cases in which an Act has been amended by several Acts at different times~~

In reply I am to state that a revised Edition of the Madras District Municipalities Act IV of 1884 has already been published

was put in hand immediately on the passing of the amending Act of 1887

were handwritten
 copies furnished to your office on the 14th ultimo.
 Suggestion given. Revised Editions of
 Local Acts, as suggested, be issued
 in the circumstances
 mentioned in para 2 of this letter. ~~as set~~
 out in detail in paragraph 2 of your
 letter quoted above, meets with the approval
 of this Executive Council and will be acted
 upon in all possible circumstances.

Note.

Please see telephonic message attached.
 Copies of revised Edn of the Madras Dt Municipalities Act of 1884 were respatched to the
 Govt of India, Legat Dept on the 14th instant.
 The Legislative Dept. ^{of this Govt} do not as a rule publish
 modified Editions of local acts under the cir-
 cumstances mentioned in para 2 of the Govt
 of India's present letter. The Madras
 Code was published in 1888; & very many amend-
 ments have not been made in the Acts of this
 Council, after that year to necessitate modified
 Editions being issued.

Revised Editions of Local Acts

FOR ORDERS of the Secretary

X Copy of list put up
below.

Not a convenient time
 for revising the whole
 Code.
 26.11.97

Pages 25 to 27 of the ^x List of Acts &
 Regulations, give the Acts of the
 Local Council as have not been repealed.
 With reference to para 2 of the letter
 from the Government of India recorded
 in G.O. 77-78, the only Acts for
 which modified Editions may be issued
 are, it is respectfully submitted, those
 marked A + B in red chalk. viz -
 A { Revenue Recovery Act II of 1864
 Rent Recovery Act VIII of 1865
 Harbour Trust Act II of 1886
 B { The City of Madras Municipal Act, 1884
 The Madras Dt Municipalities Act, 1884
 The modified Editions in the case of
 the last two Acts have been issued
 already in ^{the years} 1892 & 1897
 Of those marked A, there is no need to
 issue a modified Edition of Rent Recovery
 Act VIII of 1865, as that Act is to be
 rep.

Soon
repealed by the Madras Tenancy Act.

* now in bill form + not
yet introduced into Council

A Bill to amend Madras Harbour
Trust Act is now before the Council
+ will be passed into law at the next
meeting of the Council.

* introduced at the last meeting.
by the Honble Sir Henry Blunt

It is therefore submitted that the only
Acts for which modified Editions may
be issued are the two following:-

Act II of 1864 (Recovery of Arrears of Revenue)

Act II of 1886 (Harbour Trust Act)

Can issue
* revised edition as soon as
the bill now before the Council is passed
into law.

In this connection I beg respectfully
to point out that the Madras Code was
issued by the Government of India so early
as 1863 + contains ^{only} Acts passed ^{prior} to
1 January 1888; + since that date so many
as 30 Acts (which are now in force) have
been passed, almost all of them Acts
of importance. It is therefore suggested
that it is high time to request the
Govt of India to publish a revised
Edition of the Madras Code.

Note

The Madras Local Board Act V of 1884
+ the Rent Recovery Act VIII of 1885
as pointed out above, are however
to be amended soon, the latter to be
repealed. The amendments in the Local
Board Act will no doubt be very extensive.

Orders of the Secy

The Act of 1864 (Recovery of arrears of
revenue)
need not be re-published as modified.
as it has been amended very little
by the 3 acts CRV
26/11/97

Orders are therefore solicited as to whether
the revised Edition of the Madras Revenue Recovery
Act II of 1864 may be taken on hand
at once, + the Govt of India addressed
as to issuing a revised Edition of the
Madras Code, or whether this request
may be deferred until the Tenancy Bill
+ the Madras Local Board Act amendment
Bill are passed into law.

A
BILL

TO

Amend Madras Act II of 1886 (The
Madras Harbour Trust Act).

WHEREAS it is expedient further to amend
Madras Act II of 1886 (The Madras
Harbour Trust Act); it is hereby enacted
as follows:-

1. In section 45 of the said Act, for the
words "or dock" the words "dock, land
or building" shall be substituted.

Government of Fort St. George.

A

BILL

TO

Amend Madras Act II of 1886 (The Madras
Harbour Trust Act).

(The Hon'ble Sir Henry Bliss, K.C.I.E.)

Introduced

1897.

STATEMENT OF OBJECTS AND REASONS.

It is provided in section 45 of Madras Act II of 1886 that the Madras Harbour Trust Board shall frame a scale of rates for, *inter alia*, the storage or demurrage of goods at or on any "wharf, pier or dock" in the possession or occupation of the Board. A proposal has recently been made that a system similar to that obtaining in Bombay shall be adopted at Madras, whereby the Harbour Trust Board would receive into its premises and store therein, on behalf of the consignees, all goods landed at the port. The Board having at present no storage accommodation of its own, it proposes to rent the existing custom house premises, but these are outside Harbour Trust limits, and difficulty might occur in the recovery of harbour dues on goods stored therein. To provide for this difficulty it is proposed to amend section 45 of the Act in the manner shown in the Bill. This will, in addition, enable rates to be levied for the storage or demurrage of goods at or on any land or buildings in the possession or occupation of the Board.
