LOCAL & MUNICIPAL DEPARTMENT

"Madras Mail,"
15th April 1898.

To

The Secretary to the Government
Legislative Department
Stone House Hill.

Dear Sir:

Would you kindly inform me whether it would be possible for us to purchase a complete set of the reports of the Madras Legislative

Council for the last three years or for any part thereof? We should like if possible to be registered for a copy of the Council's proceedings in future. We should also like to buy a complete series of the Legislative Acts of the Government for the last three years if they are available.

I am,
Dear Sir,
Faithfully Yours
Henry Beauchamp
Editor.

Note for the Superintendent, Govt Pre

The Editor of the Madras Mail enquires whether copies of Legislative Council proceedings for the last three years (quarto size) are available with index; he makes the same enquiry with reference to Madras Acts (octavo size) with index.

The Government of India have quarto copies of their Council proceedings available for sale to the public at a subscription of Rupees five per annum. I therefore want to know whether the Govt Press, here do sell copies of Madras Legislative Council proceedings as it does Madras Acts.

The Editor further wants his name to be registered for a copy of the Council proceedings in future. To give him a copy gratis would be a bad precedent. It is therefore requested, that the procedure of the Govt of India ~~may~~ be followed, ~~which would be the cost~~ of the Council proceedings for a year, ~~may~~ to be fixed by way of subscription, may be stated + what the cost of the proceedings of 1895, 1896 & 1897 is. The subscription for every year being the same.

Show that ~~the foolscap form~~ publication of of the proceedings in the Gazette in foolscap form ~~published in the Gazette~~ is a very old practice as stated by the Superintendent, Govt Press, that the proceedings were also being published in a pamphlet form, & that the pamphlet form was ~~also~~ sold to the public.

a Sample copy in G.O. 346/19.9.1866

The ~~present~~ demi quarto size of the Legislative Council proceedings is a substitute for the old pamphlet form) ~~was~~ is after the fashion of the Govt of India, which after publishing their proceedings in the Gazette in foolscap size, issue copies in demi-quarto size.

Orders are now requested as to the issue of the draft order & D.O. [flag G.]

There seems to be no objection to issue of the drafted order & D.O. Lets show first to Mr. Forbes.
