My Lord,

We have the honour to transmit, for your Lordship's information, copy of a Bill to amend Madras Act V of 1884 (The Madras Local Boards Act, 1884), which it is proposed to introduce into the Council for making Laws and Regulations.

2. The necessity for the introduction of the measure is explained in the Statement of Objects and Reasons, which accompanies this letter. The Bill contains penal clauses, as your Lordship will observe, and it was accordingly in conformity with Sir Charles Wood's despatch, dated 1st December 1862, No. 35, Legislative, submitted to the Government of India for sanction prior to introduction. It will be seen from the Proceedings of this Government, No. 13, Legislative, dated 14th March 1898, copy whereof is enclosed, that the Government of India has agreed to the immediate introduction of the measure, its remarks being considered by the Select Committee that will be appointed to consider the Bill.

3. We therefore propose to introduce the Bill and refer it to a Select Committee at a meeting of the Council to be held on the 4th proximo. The Bill will not, however, be further proceeded with until the receipt of a communication from the Government of India to the effect either that your Lordship has no objection to the proposed measure or that no reply has been received from your Lordship within two months from the date of this report.

4. Copy of G.O., No. 178, Legislative, dated 4th August 1884, referred to in the Statement of Objects and Reasons, is also enclosed for reference.
