For orders

The request of M.R.Ry B. Krishna Rao finds no precedent in the office record. If the Secretary has no objection, papers furnished to the Hon. members before the Bill was introduced may be given. Under the Rules of (No. 45) all communications bearing upon the Bill ~~received~~ received during the committee stage are referred to the Committee & are not even furnished to members other than those on the Committee until their receipt is reported in Council or unless they are specially asked for by any member. The Communications thus taken are criticisms upon the Bill for the consideration of the members of the Legislative Council, & perhaps it may be considered inadvisable to subject these individual criticisms to public approval or disapproval. Orders are requested.
