PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue Revenue Sett, &c., Misc.No.4952, dated 3rd October 1899, on Proceedings of the Madras Government, Revenue Department, No. 567 Press, dated 1st September 1899.

Resolution:-

With reference to G.O.No.587, dated 1st September 1899, the Board begs to report that the proposed Bill will meet the objects aimed at and is unobjectionable from a revenue point of view.

2. With reference to the corresponding provisions in other Acts quoted on the margin of para 2 of the Bill, the Board observes that under Section 58 of Madras Act II of 1864, Civil Courts are precluded from deciding questions affecting only rates of assessment and not the liability of lands to assessment. The proposed Bill ousts the jurisdiction of the Courts both in respect of the rate of cess and liability to the charge. The Board considers, however, that this provision is both desirable and useful. The ryot will still have the right of appeal to the Collector, the Board and the Government, and this, in the Board's opinion, should be sufficient to safeguard his interests.

3. It is presumed that the year "1898" mentioned in clause (2) para 1 of the Bill should be "1899".
