Sir,

In the 4th para of their

that the office of Master Attendant

upon, on a salary of 200 Rupees a month.
In the 4th para of Extract Minutes of
Consultation of the 11th instant, N^o 97,
Government record their sanction to
the measure so far as the abolition of the
office at Tellicherry, and of the appointment
of a Master Attendant at Calicut to
have charge of Beypoor, and occasionally
visit Cannanore and Tellicherry when
the exigencies of the public service may
call him there. I have the honor by their
desire

desire respectfully to solicit information
regarding the decision arrived at with
respect to the salary to be drawn which,
if only 105 Rupees a month, will of course
be far less remunerative than that which
Mr. Brauner was in the receipt of, he
having been one of the old incumbents who
was permitted to trade.

I have the honor to be,

Sir,

Your most obedient servant,
