J. I. Franklin Esq^{re}
Secretary Marine Board

To

J. Pycroft Esq^{re}
Chief Secretary to Government
Fort Saint George.

Sir,

dated 9 April 1857, N^o 1453

1 On the 6th instant the Marine Board had occasion to report to Government in the Military Department the breaking down of the "Coromandel" on the 16th ultimo, just after she had made the light vessel at the mouth of the Rangoon River. She had towed the "Statesman" a vessel of 874 tons from Masulipatam to Rangoon in six days, and Captain Campbell attributes the accident in some measure to this.

2 The Board in their applications for Steamers have always inserted this ability to tow as one of the requisites they should possess, and the "Coromandel" was fitted with towing bollards purposely that she should be so employed. They therefore solicit that Government will be pleased to call upon Commander Campbell for a report on the circumstances which in his opinion have led to a disaster which deprives Government of

of the vessels' services at a season when she is
most required.

I have the honor to be,
Sir,

Your most Obedt Servant,
