Not to be folded or roughly handled

W. 4
J. S. Livingston Esq.
Civil Engineer

To J. Everett
Chief Secretary to Government
Boston 27 June 1857

Sir,
Adverting to the orders of
Government in the Marine Dept.
date and subject as per margin,
have the honor to forward here
with two lists marked I and II
the former being the list D re-
ferred to in the order of the
22^d December last completed
so as to show every repetition
of a name in the several
Crest lists of the vessels of
H. M. Navy engaged in the
Marine expedition 1852 fur-
ther to this Office, and
which there is not sufficient
information to pronounce
upon its identity with the
similar names. It will be
observed from this list that
there are names similarly
pronounced

Ex. Miss. Com. dated
22^d Decr 1856, R. 396.

" 5th March 1857, R. 99.

" 20th April 1856, R. 146.

Calling upon the
Crest Lists to take
steps for those portions
of the Journal donation
batter being recovered
as has not actually
been offered by Messrs
Perry & Co. Shubert & Co.
to the parties in whose
account they were paid.
and to submit certain
lists connected therewith
obtaining if ne-
cessary, the advice
of the Public Comptroller
Solicitor on the subject.

pronounced but differently
spelt, or with other Christian
names prefixed thereto, but
as I have in the course of
examination discovered some
instances in which names
thus differing from each
other did actually belong
to one and the same party.
I have thought it advisable
to enter them also, as the
Honble Court may perhaps
be thereby enabled to trace
out other double entries
which from want of in-
formation may have
escaped detection here.

2. The other list marked
II contains all such names
as occur more than once,
and in respect to which
there is sufficient proof
to decide that they wrote
the same parties, tho' serving
in different vessels in the
same or other situations.
For some of the individuals

These names are entered in
this list, payment has been
made at Madras, and the
shares of others are included
in the lists of unpaid shares
furnished from this Office &
from Bengal, but with this
and the other lists of paid
and unpaid shares before
them the Honble Court will
be in a position to refuse
payment of any individual's
share on one vessel, if it
shall appear to have been
already paid or included in
the lists of any other vessels.
3. The lists of payments
made by the Honble Court on
account of H. M. S. Fox fur-
nished to me with the
above orders have been very
carefully examined and
with the exception of the
two payments on account
of Rear Admiral Sir Ed.
Sainbert and Mr. Cherryman
Southey noticed by the
Court in the 4 & 5 paras
of their despatch of the
1st October last I find
that

that there is no other instance
of a double payment

3. In answerance to the
delay in forwarding these
bills, I have the honor to
state that it was my in-
tention to submit simul-
taneously with them a list
of the revenues required
by the Hon. Court, who
would have then been in
a position to deal with
the whole question at issue.
The delay however in obtain-
ing the opinion of the
Company's Law Officer
has been greater than
I anticipated, and it is
probable that some time
will be occupied in ob-
taining the requisite in-
formation from Messrs
Parry & Co and Messrs
Robertson & Co. Even after
I shall have placed in
receipt of the views of
Government on the subject

of their proposals. I have
deemed it proper to forward
the list D at once in
order that it may be
submitted to the Honble
Court, if the Government
see fit, by the ensuing
mail.

4. In conclusion I beg
to state in reference to the
last para of the above or-
der, that the certificates
upon which the claims
to Burmah Donation Batta
were admitted in most
cases show the period
during which the vessels
were employed, but in
others only the month
during which they were
employed is given.

I have the honor to be
Sir
