J. J. Franklin Esq^r
Secretary Marine Board

To

J. Pycroft Esq^r
Chief Secretary to Government
Fort Saint George

Sir dated 4 May 1857

I have the honor by decision
of the Marine Board to forward
for the sanction of Government the
accompanying bill for the expenses incurred
by the Master & Attendant at Galle
on account of the Steam Transport
"Oriental" and sailing transport -
"Tasmania" when they touched at that
port on their way towards Bussiere.

2 The bill has been submitted
to the Civil Auditor, who observes that
the cost of the two Coir hawseers cannot
be included as ordinary and contingent
charges; and ^{that} as the amount of the
whole expenses exceed 400 Rupees it
requires the previous sanction of Government.

3 With regard to the supply of
Coir hawseers I am to explain that they
could not be obtained at Madras.
The vessel was provided with good
European

Europe ones, but as these are not so well adapted for towing, the Board wrote to the Master Attendant at Galle to request that one might be provided if procurable; and as these are very much in request here the Commander of the "Oriental" was directed to bring them back, which was done, and one has since been supplied to the Honorable Company's steamer "Commander" for the purpose of towing down the steam dredge from Cochinada.

I have the honor to be
Sir

Your most Obedt Servant.
