Acting Chief Secretary to Govt

Fort Saint George

dated 14 May 1857

Sir,

I have the honor by desire of the Marine Board to forward plan of the limits of the port of Madras prepared in the Chief Engineer's Office in compliance with the instructions conveyed in Extract Minutes of Consultation 22^d ultimo A 152, and to observe that the soundings cannot as yet be inserted there being at present no correct or indeed any survey of the Madras Roadstead. They think, however, that it will be quite sufficient for the purposes of the Act that the port shall be designated as extending to Mathans waters.

The limits of the other ports now to be made subject to Act ~~XXII~~ of 1855 have been furnished to the Chief

Chief Engineer for the preparation
of plans of a similar character.

I have the honor to be
