Fort Saint George, Marine Consultation, 16th June 1857.

No. 4. Read the following letter from J. J. FRANKLIN, Esq., Secretary Marine Board; to E. MALTBY, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 8th June 1857, No. 2050.

SIR,

With reference to the communications from the Marine Board marginally noted, representing the want of Coals at Madras, I have the honor by their desire to inform you that they were given to understand some time back that there was a large stock on hand at the Mauritius. The "James Ferrie," a vessel of 1000 Tons will proceed on the 13th to that Colony with Emigrants, and her Commander has offered to bring back 500 Tons of Coals, or more, at a freight of (15) fifteen Rupees the Ton. I am therefore directed to suggest that she should be made available for this purpose, and that the Mauritius Government should be requested to purchase, on account of the Madras Government, 500 Tons of Coals and ship the same in her with all dispatch for Madras, which port she would probably reach again by the end of August.

(Signed) J. J. FRANKLIN,
Secretary.

No. 5. ORDER THEREON, No. 235; dated 11th June 1857.

Resolved that the Mauritius Government be requested to purchase on behalf of this Government, 500 Tons of Coal, if procurable at a reasonable price, and to send it to Madras in the "James Ferrie," whose Commander has undertaken to bring it at a freight of Rupees 15 per ton.

No. 6. To the Colonial Secretary at the Mauritius, dated 11th June 1857, No. 236.

SIR,

I am directed by the Right Honorable the Governor in Council to transmit Copy of a letter from the Marine Board of the 8th Instant, No. 2050, and to request that His Excellency the Governor and Commander-in-Chief will be so good as to give directions for the purchase of Five hundred Tons of Coal for the use of this Government, if procurable on reasonable terms, and for its Shipment on the "James Ferrie," a Vessel which is about to proceed from this Port with Emigrants.

On receiving intimation of the purchase this Government will be prepared to defray all the expenses attending it.

I have, &c.,
