No. 9. From Captain C. D. CAMPBELL, I. N., to the Chief Secretary to Government, Fort Saint George, dated "Coromandel," 2nd July 1857, No. 94.

SIR,

I have the honor to acknowledge the receipt of the Extract of Minutes of Consultation, No. 176, dated 5th May, regarding the employment of Lieutenant C. Forster, I. N., on Survey duty on the Coast of Coromandel, and, in reply, I regret to inform you that Lieutenant Forster leaves this Vessel by the Mail Steamer on the 5th Instant, on Sick Certificate to Bombay and is therefore unavailable for the duty contemplated, for which he would have found well qualified.

(Signed) C. D. CAMPBELL, Captain, I. N.

No. 10. ORDER THEREON, No. 291; dated 25th July 1857.

The Commander of the "Coromandel" reports that Lieutenant Forster of that Vessel (which is now at Calcutta) has obtained Sick leave for 6 months. A communication to this effect has already been received in a letter, of the same date, from the Government of India, Copy of which was furnished to the Marine Board on the 17th Idem.

20th May No. 210.

Vide Extract Minutes Consultation, 30th June 1857, No. 253.

From Secretary Government of India, 27th March, No. 142, with Enclosures.

2. At the express desire of the Board this Government wrote to the Government of Bombay, enquiring whether the duty of Surveying the Eastern Coast might be entrusted to Lieutenant Forster, who was then with the "Coromandel" at Madras. The reply was unfavourable.

3. The Governor in Council thinks it desirable that the Board should refrain from making any further recommendations, as it would appear that the requisite measures for the proposed Survey will be carried out by the Supreme Government themselves, in communication with the Government of Bombay.
