Fort Saint George, Marine Consultation, 11th August 1857.

No. 1. From F. LUSHINGTON, Esq., Civil Auditor; to E. MALTBY, Esq., Acting Chief Secretary to Government, Fort Saint George, dated the 22nd July 1857, No. 133.

SIR,

* Received in the Audit Office, on the 17th Instant.

In obedience to the requisition contained in Extract from the Minutes of Consultation, in the Marine Department, No. 258, dated 6th Instant,* I have the honor to annex a Memorandum reporting upon the claims to Burmah Batta of the several Officers of H. M. Navy named in the Enclosures of the above order, and to state for the information of Government that the amounts due to the several Officers named in the margin who had served as Mates have been entered at the higher rate to which they are entitled by ranking as Lieutenants. But as they have all been entered in the Crew Lists of the Vessels to which they belong as Acting Mates merely, it may perhaps be determined that they should receive the Batta assigned to the ranks next to that of Lieutenant viz., Ensigns, the lowest one to which Commissioned or Warrant Officers of the Navy correspond, in which case Mr. Barnardiston only will be entitled to a difference of Rupees 43-2-0. The rest have been paid the six months Donation Batta awarded to all ranks, who have not by their length of service become entitled to War Batta also.

Mr. T. Barnardiston.
