SIR,

In acknowledging Extract from Minutes Consultation of the 4th Instant, No. 305, communicating a letter from the Quarter Master General of the Army pointing out the inconvenience experienced by the Troops, &c., which arrived at Madras in the Honorable Company's Steamer "Coromandel," on the 25th Ultimo, in consequence of there not being sufficient scuppers on the upper deck to carry off the water. I have the honor by desire of the Marine Board to observe that this want was noticed in the 13th para: of my Report on the Vessel of the 5th January last, and that Captain Campbell will no doubt cause the defect to be remedied when sufficient leisure admits.
