20/11/29

Fort Saint George, Marine Consultation, 22nd September 1857.

No. 26. From Captain C. D. CAMPBELL, I. N., Commanding H. C. S. V. "Coromandel," to the Chief Secretary to Government, Fort St. George, dated 17th September 1857, No. 157.

SIR,

I have the honor to acknowledge the receipt of the Extract Minutes of Consultation, No. 376, and with reference to the 3rd Para: I beg to report that I have made arrangements to proceed at once with the requisite Survey of the "Dalhousie" preparatory to taking charge of her on account of Government, but as the duty is of a very responsible nature, I have the honor to submit the desirableness of associating with myself as President, the Officers as per margin to form a Committee, and I would request the sanction of Government to this arrangement.

Lieut. DeBelin, I. N., "Coromandel."
Mr. C. Ward, I. N., Chief Engineer.
Mr. Howard, I. N., 2nd Class Engineer.
J. F. McKennie, Esq., Assistant Master Attendant, Madras.
Mr. Burton, Surveyor to Lloyds.

I also beg further to report that in event of the report upon the "Dalhousie" being satisfactory and the Vessel is made over to my charge, I have no Officer whom I can place on Board nor any Crew available for her safety, and I would therefore suggest that if possible the services of her Commander be secured, and that the Marine Department be instructed to provide a temporary batta Crew upon indent in the same manner as in the case of the "Coromandel" on her arrival from England, as a temporary measure.

(Signed) CHARLES D. CAMPBELL,

Captain I. N.

No. 27. ORDER THEREON, No. 384; dated 19th September 1857.

Government approve of the proposed Committee to aid Captain Campbell in surveying the Steamer "Dalhousie." This letter will be communicated to the Marine Board, who will suggest arrangements for providing a temporary Crew, in order that the "Dalhousie" may be available for service until the Authorities at Bombay send Officers and Men.

Exd. J. A. Wilson.
