Fort Saint George, Marine Consultation, 29th September 1857.

No. 52. From ARTHUR HALL, Esq., Collector of South Arcot; to E. MALTBY, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 22nd September 1857, No. 501.

SIR,

Adverting to the Notification by the Government of India, dated 14th August 1857, No. 1574, I have the honor to report that I have detained a Cask containing about $\frac{7}{8}$ ths. of a Candy of Sulphur which was being Imported into this District from Pondicherry.

2. The Importer states that he was taking the Article to Combaconum for one Gunnypetty Iyer residing there who deals in it.

3. The Bazar price of Sulphur is now about 30 Rupees the Candy* by Wholesale and may be said to fetch 33 Rupees if sold by retail.

4. I beg to solicit the orders of Government in regard to the disposal of the quantity in question.

5. I have also the honor to state that a Merchant† at Cuddalore has notified to me that he has four Candies of Sulphur in his possession, which he lately imported from Pondicherry for the purpose of traffic. I beg therefore to request that Government will be pleased to favor me with instructions as to what course I am to pursue in regard to this quantity.

6. In July the wholesale price of Sulphur was 22 Rupees and the retail price 25 Rupees per Candy in Cuddalore, but there has evidently been of late a considerable demand for the Article which has caused a rise in the price. It may now I think be fairly taken at 30 Rupees the Candy when sold by wholesale, and 33 Rupees by retail.

(Signed) ARTHUR HALL,
Collector.
