SIR,

I have the honor, by desire of the Chamber of Commerce, to acknowledge the receipt of Extract Minutes Consultation, No. 319, Marine Department, dated 18th August last, communicating a Despatch from the Honorable Court, No. 14 of 1857, authorizing the construction of an Iron Screw Pile Pier at this Port, and stating that they will accordingly conclude the arrangement with Messrs. Saunders and Mitchell, and urge upon them the immediate commencement of the operations.

2. The Chamber, in tendering their best thanks for the above communication, desire to avail themselves of the opportunity thus afforded of expressing their most favorable opinion of the project, and their high satisfaction at the prospect of realizing at no distant date the advantages which the proposed structure cannot fail to secure to the Trade and Shipping of Madras.

The Chamber further desire me to express their hope that no delay will take place in the execution of this important work, but that it may be proceeded with as early as practicable.
