Fort Saint George, Marine Consultation, 29th October 1857.

No. 22. From the Secretary Marine Board; to the Secretary to Government, Military Department, Fort St. George, dated 27th October 1857, No. 3693.

SIR,

The Quarter Master General of the Army having intimated that several hundred Sick Men were awaiting passage from Rangoon to the Presidency, I have the honor by desire of the Marine Board to inform you that they purpose, with the sanction of Government, dispatching the Steam Transport "Manilla" to bring them over.

2. The Vessel would first proceed to Masulipatam to land Camp Cots and other Stores required for the European Troops landing there, and to Vizagapatam to land Medical and other Stores, and would finally take her departure from the last named Port for Rangoon.

3. Should however any sailing Vessel arrive at Madras with Troops destined for Calcutta before the departure of the "Manilla" she would be made available to carry as many as she could accommodate to that Presidency, and then proceed to Rangoon.

4. Lieutenant Hellard of the Indian Navy, who has been appointed to the Command of the "Dalhousie," has arrived at Madras in the Steamer "England," and proceeds on by her on the 29th Instant. There are at Rangoon many more Sick than can be brought away by the "Manilla." The Board would therefore suggest that he be instructed before leaving to hasten the equipment of the "Dalhousie," and repair to Rangoon to bring over to Madras all those who may still be awaiting passage.

(Signed) J. J. FRANKLIN,

Secretary.

No. 23. ORDER THEREON, No. 468; dated 28th October 1857.

The Government approve of the Steam Transport "Manilla" being despatched to Rangoon, as proposed by the Marine Board, to convey to the Presidency the Sick Details; and also resolve to instruct Lieutenant Hellard, appointed to the Command of the Steamer "Dalhousie," to hasten the equipment of that Vessel on his arrival at Calcutta, and to repair without delay to Rangoon and bring over such of the Sick as may still be there awaiting passage to Madras.
