No. 3. From F. LUSHINGTON, Esq., Civil Auditor; to E. MALTBY, Esq., Acting Chief Secretary to Government, dated 19th October 1857, No. 325.

SIR,

I have the honor to acknowledge the receipt of Extract, Minutes Consultation, No. 412, Marine Department, instructing me in communication with their Agents to adjust the claims of the Officers named in my letter to Government of the 22nd July last, No. 381, to the difference between Burmah Donation and War Batta due to them.

The Honorable the Court of Directors have, it will be remembered, in their Despatch in the Marine Department, dated 14th March, No. 9 of 1855, directed that Lists of the shares due to parties who quitted India without receiving their shares should be forwarded to them in view to enable them to disburse the amounts in England and though from the circumstance of those orders having been either overlooked or not received in time, the bulk of the amounts due to most of the Officers named in my letter above mentioned was paid at Madras, it will, I think, be advisable that the balance still due should be remitted for payment in England especially as some of the parties do not appear to have appointed any Agent here with whom I could communicate in carrying out the present orders of Government, I have therefore prepared a Memorandum and herewith forward it, shewing the balances still payable in order that the necessary instructions may be issued, should the Government see fit, for the remittance of the money to England.

(Signed) F. LUSHINGTON,

*Civil Auditor.*
