Fort Saint George, Marine Consultation, 17th November 1857.

No. 7. From the Accountant General; to the Acting Chief Secretary to Government, dated 2nd November 1857, No. 224.

SIR,

1. I have the honor to bring the following circumstances to the notice of the Right Honorable the Governor in Council.

* Received with an Extract from the Minutes of Consultation, dated 18th August 1857, No. 332.

2. In a Despatch* from the Honorable Court of Directors, dated 8th July 1857, No. 16 of 1857, they state that they purchased for the Indian Navy two Screw Steam Vessels of Iron, named the "Dalhousie" and the "Prince Arthur," and have determined to send them in the first instance to this Presidency where they are so urgently required.

† No. 419 and 443.

3. In the Orders† of Government, dated the 3rd and 17th Instant, the Salary of the Commanders and Establishment of those Vessels are sanctioned.

4. In the orders of Government, dated 9th June last, No. 232, it was determined in reference to the Honorable Company's Steamer "Coromandel" that as she belongs to the *Indian Navy* the extraordinary charges only are to be debited to this Government, and that the ordinary expenses of the Vessel are debited to the Bombay Presidency.

5. As the Steamers "Dalhousie" and "Prince Arthur" appear to be Vessels attached to the Indian Navy, perhaps the same mode of adjustment of charges is to be followed up, but I think it proper to take the orders of Government.

(Signed) G. L. PRENDERGAST,

Accountant General.

No. 8. ORDER THEREON, No. 483; dated 11th November 1857.

The Government are of opinion that the same mode of adjustment, as indicated in Extract Minutes of Consultation of the 9th June last, No. 232, in the case of the Honorable Company's Steamer "Coromandel," should be observed with respect to the expenses of the Steamers "Dalhousie" and "Prince Arthur," which are also Vessels of the Indian Navy.
