Fort Saint George, Marine Consultation, 24th November 1857.

No. 13. From T. PYCROFT, Esq., Chief Secretary to Government of Fort Saint George ;
to the Secretary to the Government of India, dated Fort Saint George, the 24th No-
vember 1857, No. 498.

SIR,

I am directed by the Right Honorable the Governor in Council to forward, for submission
to the Government of India, the accompanying copy of a let-
Dated 9th November 1857, No. 3853. ter from the Marine Board with its Enclosures, in which they
represent the necessity of providing increased means for the
care and supply of Marine Stores for the use of the numerous Government Steamers which are
now and henceforth will be employed either at or in communication with this Presidency.

2. It will be seen that the usual practice has hitherto been to indent on the different De-
partments for the requisite Stores ; and this was practicable so long as the Supplies required were
limited, but the increasing number of Steamers which must be permanently employed on this Coast,
renders it necessary that some more efficient arrangements should be made to meet their demands.

3. Of the two plans adverted to for the
protection and issue of Marine Stores, the Board
recommends, as the least costly, that the Com-
missary General be authorized to organize a
Branch of the strength specified in the margin,
and to engage premises for six months for
the reception of the Stores until a more perma-
nent arrangement can be effected.

4. The Right Honorable the Governor in Council has authorised the adoption of this Plan,
and directed the arrangement to be carried out at once, subject to the confirmation of the Supreme
Government ; and I am now desired to solicit their sanction to the proposed Establishment, at a
cost of Rupees (102) One hundred and two per mensem, for which an application in the prescribed
Tabular Form is herewith submitted.
